応援(Ouen): pick a renewable energy plant

3. After you've picked one, click the button below!

*You can pick one powerplant you want to support every month.

*You will keep supporting the same one until you choose another.

応援(Ouen): pick a renewable energy plant

4. To check if you've picked one successfully, click the menu button, then “応援履歴／発電所一覧”

The image shows a screenshot of the Ouen (応援) web interface. On the left, there is a panel with a background image of a field. It displays 'ご利用状況' (Usage Status) with a large '3.3kWh' value. Below this, it shows the date '2022. 03.21(月)' and a progress bar from '1週間前' (1 week ago) to '昨日' (Yesterday). It also lists usage statistics: '直近1週間の合計使用量' (Total usage for the last 1 week) as '26.3kWh [2022.03.15~]', '最新のご使用量' (Latest usage) as '221kWh [2022.02.06-2022.03.05]', and '最新のご請求額' (Latest bill amount) as '7,300円 [2022.03]'. A button 'ご利用明細へ' (Go to usage details) is at the bottom of this panel. A red circle highlights a 'MENU' button in the top right corner of the left panel. An arrow points from this button to a grid of service options on the right. The grid is titled 'アカウントサービス' (Account Service) and contains six buttons: 'ご利用明細表' (Usage details table), '電気のご利用状況' (Electricity usage status), '応援履歴／発電所一覧' (Support history / Power plant list), 'お手続き' (Procedure), 'ニュース' (News), and 'お問い合わせ' (Inquiry). The '応援履歴／発電所一覧' button is circled in red.
